

RiskCheck Awarded BOMA National Pinnacle Award for Innovation

RiskCheck Inc. is very proud to announce that they have been awarded the 2010 National BOMA Pinnacle Award for Innovation for their GreenCheck program. Karen O'Connor Executive Vice-President and Tony Pringle, GreenCheck Sustainability Coordinator, received the award at the BOMA Canada National Conference and Exposition Awards Gala on September 16th 2010.

The BOMA Pinnacle awards are presented to “recognize companies that represent a standard of excellence to which all BOMA members and their employees should aspire. The Pinnacle Awards recognize innovation, teamwork, outstanding service and commitment to clients”. GreenCheck, the RiskCheck program that assists property owners and managers with their environmental sustainability at the site and portfolio level was recognized specifically for its innovation uniqueness. GreenCheck enables companies to fulfill their environmental sustainability reporting and benchmarking requirements in a cost effective manner while providing guidance and pushing properties to strive for higher performance and continual improvement at the property level. After having won the BOMA Toronto award, RiskCheck went on to compete at the national level where they were again recognized for their efforts to provide valuable and meaningful services to the property industry.

RiskCheck is very proud to be recognized for their strong efforts and will continue to strive for excellence in all of the services that they offer.
